~~Sir~~, Through
The President,
District Board,
Coimbatore

Sir,

With reference to G.O.No. 760 L, dated 18.6.1919 approving the new scheme of vaccination, I have the honor to place before the Government the following facts for favour of sanction—

2. The Children from the hamlets could not be gathered to the Chief villages by the village Officers as required in rule 9 of the working of new scheme of vaccination either for vaccination or for Verification the failure on the part of the village officers brings the subordinate vaccination staff to troubles and thereby they are put to much inconvenience in working out the new scheme of vaccination satisfactorily.

3. In rule 9 of the above G.O. it is laid down that the Children within a radius of 2 miles should be gathered to one place to ensure better results in vaccination and also to facilitate the work of the Deputy Inspector of vaccination.

4. The village officers, for their inability to produce the Children, put forth their plea that unless some penal provision of law for the refusals etc is made no better results in vaccination can be expected in villages. To ensure better results and also to avoid the above difficulties, the Taluk Board in its Resolution No. 9 dated 3.4.922 has sanctioned the

the introduction of Compulsory System of vaccination in the villages listed in a separate list herewith submitted. In regard to the trial of vaccination offences I suggest that the persons charged with vaccination offences within a radius of 5 miles from the nearest Magistrate Court may be ordered to be tried by the Sheristadar e Magistrate, Kellegal.

5. In View of the above fact I request that the Government may be pleased to sanction the introduction of the Compulsory System of vaccination in all the villages referred to in the list

I have the honor to be,

Sir,

Your most Obedient Servant

President
